1979-80 Spokesman Dedication

Mr. John Plavcan

With sincere and grateful appreciation, the 1980 Spokesman Staff would like to dedicate this yearbook to Mr. John G. Plavcan. Throughout his fourteen years of teaching at Strong Vincent, Mr. Plavcan has earned the respect and admiration of all who come in contact with him. Along with teaching A.P. Physics, Physics, and Algebra I, he is the senior class advisor, a member of the Steering Committee for Evaluation, A.V.A. coordinator, and stagecrew director. As a teacher and a person who is both conscientious and knowledgeable, Mr. Plavcan has enriched the lives of the students at Strong Vincent High School.

See,

To a very special friend I met way back at Westlake. Thanks for all the help you gave me + all the times you listened to me yab about my problems. Without you + Florence I would be a nobody. I hope you will keep in touch over the summer (alot better than last summer). Remember all of the good times we had since 9th grade + all of the fun times this year in History, chorus, health, gym + especially lunch where we get talk out. I wish you all the luck in the world with Don. I'm sure you will be very happy with

The Very Dedicated - Mr. Plavcan

Cindy Carney

On August 5, 1979, Strong Vincent lost a very special person, Cindy Carney. Cindy, always with a smile on her face, was full of fun and laughter. Throughout her life she was well known and liked by all. Her qualities and characteristics were portrayed in her active years at S.V. She was an efficient editor of the SPOKESMAN and an ambitious member of the colorguard. Cindy was a friend whose memory will be treasured forever.

him because they way you talk about him he sounds like somebody very special to you. Remember when I was in love in Wesleyville, I always think about that when the theme for Leo Carter comes. Remember the disco kid. "Ray Rich". I'll always remember when you used to like M.M. & you know who at W.G.G.

Leona Rogers was a teacher, a math teacher. Add to that her professionalism; multiply that by all those students whom she taught; divide that by the 29 years she taught and subtract or take away nothing-for she never did, she only knew how to give. The result equals a dedicated teacher respected and remembered by her colleagues and students. Schools function because of the special relationships between teachers and students. When this relationship works, the great gift of knowledge and learning is given and received. It is this gift that Leona Rogers gave to her students. Those of us who were her colleagues and students remember her, thank her and are grateful that she was here to show her ability, talents, and dedications.

Miss Leona Rogers

Freshmen

This years freshmen class is the largest class at S.V. They are all a definite help at pep rallies and games. They are a very enthusiastic group and do well to support all activities in school. The freshmen class involved themselves with quite a few athletic teams and contributed talented skills. We hope the remaining years here at S.V. will be memories never forgotten.

V. also relied on underclassmen Andy Laughlin, Ray Sherman, John Morrow and Brian Lydick who set many personal records in preparations for the future seasons. The faculty and student body is proud of our swimmers and wish them the best of luck.

Captain Linda Morosky was the first Colonette to break a minute in the 100-free, clocking a 58.2. Juniors Kelly Marsden, Colleen Cole and Kelly Donnelly also helped boost points for the Colonels, setting more school records than any other previous season. With an abundance of young talent, the S. The Strong Vincent Varsity basketball team had a fine season under third year head coach Pete Flinn. The team, consisting of five juniors, three sophomores, and two freshmen, pulled it all together and played well toward the end of the season. Charles Hollis led Vincent in scoring with over 300 points with the rest of the squad usually seeing lots of duty. As a whole, the Colonels played solid defense, with much credit due to their quickness. Inexperience hurt the Colonels in a few games during the past season. However, with the entire team returning, experience will be on their side as they make a run for the PIAA playoffs next season.

The Junior Varsity team for 1979-80 was comprised of a group of dedicated young athletes. Although the team had only two returning members of the 1978-79 edition, the outlook was bright. The season began with a host of talented Freshmen, Sophomores, but we were untested in game situations.

With the season in midform, two Freshmen, David Blanks and Willie Hollis, were moved up to the Varsity team. The team upped its record to 10-1 the next week with a new look, but shortly afterward lost four out of five games, two of which by one point.

Co-captains Dennis Penpek and Brian Horn also share honors as leading point getters with 131 after 14 games.

Sophomores on the team beside Dennis Penpek include Mike Deutsch, Gary Steudler, Aaron Pierce, Jim Soder, Ed Moffett, and Rich Dorey. Freshmen are led by Brian Horn, Robert Thomas, Brian Carney, and David Tarasovich.

The 1979-1980 Girls' Gymnastics team was coached this year by Renee Vicary and assistant coach Mrs. M. Laudensack. The team ended their season by exhibiting excellent performance as they took first place in the 1980 city gymnastic tournament. All around competitors for this year were Senior, Captain, Patty MacWhirter and Junior, Cathy Dunford. Patty MacWhirter was a great advantage to the team this year. Unfortunately, this was Patty's last year. Good luck to Patty and congratulations to the team and their coaches for spending long and hard working days, as it paid off.

The wrestling team this year greatly improved its performance over previous years, equaling this season to the number of wins in the previous three years. Sportsmanship, spirit, and togetherness were the trademark of the 79-80 S. V. grapplers. Tim Naughton led the team with the best record 15-1, (12-0 dual meet competition). He was also the Metro tournament champion at 138 lbs., and had the most pins with 11. Also contributing to the team cause were Tyrone Battles (5-4-1) at 98 lbs., Tim Zurn (11-7) at 105 lbs., John Buettner (5-6-2) at 112 lbs., Joe Flamio (9-9) at 126 lbs., Jeff Bulko, (10-7) at 138 and Dan Phillips (11-15) at 155 lbs.

The total roster carried only three seniors; John Gloss, Matt Kohler and Gary Campbell. The team standouts included freshman, Bob Wieczorek in the long distance events and strongmen Bill Sandusky and Ron Haugsdahl in the field events. Good luck in 1980.

Girls' Cross Country

1979 was a very successful year for the girls' track team. The girls succeeded in setting city records in both track and field competition. Kathy Dey won in the low hurdles, Cathy Ptaskiewicz won in the two mile run, Sharon Fagan the mile run, and Janet Glowacky long jumped for a record length. Both Janet Glowacky and Kathy Dey were very important to the team's success. These two outstanding athletes will be missed next year. Other athletes contributing to the team's success were Patty MacWhiter, Debbie Callista, Rachel George, and Carla Vitale. Each member of the team contributed many hours of hard work and effort that made 1979 a good year in track and field. 1979-1980 was the first year at Strong Vincent for girls' cross country. They had a very good season with four wins and one loss. The team which consisted of ninth and tenth grade girls did an outstanding job with Jean Oligeri leading them at the meets.

Boys' Golf

The Strong Vincent Golf Team under the direction of Coach Howard Stoops had a one and ten record. Mr. Stoops is building a young and hopeful team for the future. The young Colonels will lose two of the six lettermen. The two Seniors who shot consistently were Mike Marsden and Chris Mong. The up and coming linksters are: Charles Dillon, Mark Jordano, Mark Adams, Randall Roberts. Good Luck in 1980.

Michelle Penpek, the only senior member, moved up to first position as the year progressed. This year the team had a record of seven wins and three loses. Girls' golf is a new sport for Strong Vincent. We are looking forward to a good year in 1980. Returning along with the new members are the regulars Sherry and Kerry Putnam.

The 1978-79 Girls' Softball team led by Coach Ron Niebauer and Ass't Coaches Crystal Reagle and Tom Lesniewski dominated the Independent and Metro softball diamonds. They were beaten only twice. The combination of teamwork, experience and vigorous practice proved to be their biggest asset. The "Colonelettes" first victory an 18-1 routing of Iroquis, last year's county champs, set the trend for the rest of their season. The team held on to first throughout the season until they were defeated by their closest competitors Tech Memorial. Tech tied them for first, but the "Colonelettes" came back in the final game to capture the METRO CROWN!!

The coach, Mr. Ronald Niebauer is looking forward to a more successful season next year with Erin Scully, Pam Carson, Carleen Pedano, Linda Bell, Cynthia Crockett, and Wipa Bowers returning.

This year's Spokesman Staff under the supervision of Ms. DeSante and the direction of the co-editors Susan Erdman and Cathy Bonaminio and Jr. Editor Colleen Gardner worked hard and faithfully in order to create the 79-80 Spokesman. All members on the staff combined their talent to make a special yearbook designed to cherish all the memories at S. V. The Spokesman successfully sponsored many fund raising activities, including the magazine drive designed to reduce the cost of the book. A special thanks for all the work that was done.

Twirlers

What would the band be like without color, the precision, and the pretty girls. The SV Majorettes worked long and hard to represent their alma mater both on the field and in their various fund raising endeavors. (An example was a special SV afghan designed, made, and donated by Mrs. JoAnn Akus). Led by Captain Linda Akus and Co-Captain Brenda McLaurin, the girls spent many hours perfecting routines and precision which aided the band in its 2nd place performance in the annual band competition. Aided by the double twirler captain Laura Heubel and flag captain Janet Gathers, their performance enhanced the overall effort of the band and provided the audience with a spectacular combination of color, motion, and sound. Our thanks to their energetic advisor, Mrs. Musarra.

The Cafeteria Staff is a group of hard working women that we cannot do without. We need their professional aid to provide us with a good hearty meal at lunch time. Having them to prepare and serve a variety of food is very convenient for the student body of Strong Vincent High.

[illegible]

Terri,
 You're a very nice girl and I'm
 glad that we are good friends.
 Don't forget all the fun we
 had this year and I hope that
 I see you over the summer.
 Love Paul

Terri,
 Well, what can I say, last year it
 was Business Math and Chorus, this year
 it's Chorus, typing these years were fun and
 worth every bit of pain too. I wish you were
 still marching, I'll be missed there a lot.
 You're a real sweet person and fun to be
 around. We should get together this
 summer and go out or to the beach, I'm
 looking forward to next year. I miss it!
 It's gonna be great! Good
 luck and best wishes in

 I really think your
 idea to know at
 your school, I'm
 really for a while, but
 I'm really
 looking forward to seeing you
 this summer and going
 to the beach. I miss
 you and hope you're

Jerry -
to a very sweet young
lady that I met in
grade 10. I've been nice
knowing you and being in
short hand class with you
I'll never forget all the
times you and Hank would
get and laugh through
class. Good luck in
all you do. R.M.A.
